Subject: AAPCO-EPA Meeting Minutes for Review
Attachments: AAPCO-EPA August 16th Meeting Notes.docx

Good afternoon Amy and Pat,

Thank you again you and your AAPCO colleagues for meeting with us to discuss dicamba back in August. The dicamba team always appreciates the insights that you are able to share with us. We're finally getting the meeting minutes together with the aim of posting them to the public soon. . Could you please share the attached file with your colleagues who attended the meeting so we can get concurrence on the minutes? If they have any comments, please share those with us so we can address them before finalizing this document.

We're hoping that COB on 12/2 would be a doable deadline, but if you get reservations from any of your colleagues on that timeline, please just let us know. We're coming up on a holiday week, and can be flexible with a couple of days if necessary.

Thanks again,

Lydia Crawford Kelly, PhD
